

LME WAREHOUSE DELIVERY OUT PROCEDURES AND RATES

for Singapore, Malaysia, South Korea & Taiwan

A) GENERAL

1. These LME Warehouse Delivery Out Procedures and Rates (the “Procedures”) set out the general process effective as of 1 April 2025 in respect to Access World’s scheduling system for allocation of loading slots for delivery out of the Underlying Metal which is the subject of a cancelled LME Warrant or Immobilized Warrant. Applicable rates along with effective dates for ease of reference are also set forth as part of these Procedures. These Procedures may be amended from time to time and amendments are published on our website www.accessworld.com.
2. These Procedures have been drawn up in accordance with LME requirements and are applicable in addition to any specifically agreed terms with Customer for cancelled LME Warrants or Immobilized Warrants at Access World’s approved LME warehouses. All services provided by Access World are subject to Access World’s Standard Business Terms and Conditions, a copy of which is available upon request or can be found on our website at www.accessworld.com.
3. Customer must arrange full payment of FOT charges and LME Rent accrued for the cancelled Warrants or Immobilized warrants to Access World’s designated bank account without deduction and/or set off and provide all shipping instructions prior to sending Access World a written request for delivery out of cancelled Warrants or Immobilized warrants. LME Rent will continue to accumulate up to and including the date of material collection from LME warehouse and will be invoiced separately.
 - a. As from 01 January 2023 In case of Basic eCOA for Warrants or Immobilized warrants created in the LME eCOA System by Access World, Customer must arrange full payment of the fee for the cancelled Warrants or Immobilised warrants to Access World’s designated bank account without deduction and/or set off prior to sending Access World a written request for delivery out of cancelled Warrants or Immobilised warrants.
4. Once all formalities permitting delivery (including customs clearance, payment of applicable LME Rent and delivery out charges, provision of shipping instructions, etc.) have been completed, Access World will process a request for delivery slots on the basis of 48 operational hours’ notice (two full business days). Available appointments shall be endeavored to start, unless subject to any applicable LME Queue requirements, thereafter, unless specifically agreed between the Warrant Holder and Access World. Loading slots shall be allocated strictly on a first come first served basis, unless otherwise agreed by the Warrant Holders seeking cancellation for Underlying Metal take-up.

5. The FOT charge and LME Rent refer to a collection on the basis of customs uncleared, duty unpaid and shall be invoiced for
 - a. LME Rent: Basis standard LME lot weight for the applicable material
 - b. FOT charge: Basis actual gross weight of material delivered out
6. In the event Customer requests rent, cost and charges to be invoiced in a currency other than the published currency(ies), the conversion shall be effected at the applicable exchange rate prevailing on the day of conversion, subject to Customer's chosen currency being acceptable to Access World.
7. A transferee of a Warrant will be treated by Access World as having the benefit of the contract of storage of the Underlying Metal and should be bound to Access World Standard Business Terms and Conditions.
8. Customer must inform Access World of the collection method being used and provide information on shipping instructions/collection arrangements, including required documentation such as but not limited to (proforma) invoice, packing list and shipping/delivery instructions, etc., specifying Access World's Warehouse Reference Number, commodity and quantity details.
9. Customs and/or VAT formalities must be completed prior to any material being delivered out from our LME warehouses. Customer must ensure that all formalities and paperwork are completed and presented to Access World along with receipt of import duties (where applicable) by latest 48 working hours prior to collection of material if Customer nominates their own customs broker.
10. In the event bank releases or holding certification/warehouse receipt releases are required for collection of material, Customer must ensure that the final or unconditional release (including effective date) are provided to Access World by latest 48 working hours prior to collection of material.
11. Working days are Monday to Friday, excluding weekends, local Public Holidays and days of port closures. Access World will provide notice to Customer of applicable holidays and of any Force Majeure situation which may affect loading schedules resulting in suspension of operations until the Force Majeure situation has been rectified and/or alternative arrangements are implemented.
12. Failure to provide any required information and/or documentation in time for the allocated loading slot(s) and/or providing information or documentation which cannot be verified, and/or late and/or no arrival of truck(s), may result in the cancellation of the collection and rescheduling to the next available loading slot(s) at published rate. In addition, should an allocated loading slot be missed through no fault of Access World then all outstanding rental charges will be due and payable up until the rescheduled loading slot date and any rental charges under the LME Queue Based Rent Capping (QBRC) rules which may apply will be reset as of the date of the missed loading slot.

13. Access World is not responsible for any delays and/or consequential damages and/or charges for missed and rescheduled loading slots.

B) DELIVERY OUT METHODS

14. Delivery out by truck

In addition to any specifically requested information, Access World must receive by latest 13.00 hours of the working day prior to the collection day (loading slot) the following information:

- a. Transportation company
- b. Truck / Trailer number
- c. Driver's full name
- d. Driver's ID
- e. Standard weight load (SWL) of truck(s)

Access World will only accept flatbed trucks/trailers (none with metal floors) and/or trucks with curtains suitable for side loading via fork lift trucks. Trucks which arrive outside the allocated loading slot are not guaranteed to be loaded and may have to re-apply for a new loading slot. Late arrivals will however be accommodated on the same day if loading schedule permit.

Truck drivers must sign in at the main gate or warehouse office for identification according to the above requested information. Truck drivers will be directed to the relevant warehouse for collection of material where the loading process shall be managed in sequential order of arrival until all scheduled vehicles are completed. Truck drivers must sign and date the Delivery Order at the warehouse after loading is completed and are responsible for the blocking, bracing, securing and lashing of the material and must at all times strictly adhere to all applicable safety rules.

23. Procedures Specific and Applicable Charges for Slot Re-scheduling and reissuance of Warrant or Immobilized Warrant for the underlying metal.

- a. Access World is not obligated to agree to reissue a Warrant or Immobilized Warrant but to the extent that Access World does allow reissuance of a Warrant or Immobilized Warrant of the underlying metal then the below charges will apply.

Currency	Reissuance of Warrant or Immobilised Warrant
USD	9.50 per metric ton

- b. In addition, Access World may impose additional charges to the extent any Warrant holder would have otherwise benefited via reduced rent under Queue Based Rent Capping (QBRC). In particular, the Warrant holder will be responsible for payment of outstanding rental charges on the basis that there was no possibility of being charged reduced or zero rent on any given day up until the reissuance date of a Warrant or Immobilized Warrant.
- c. Reschedule of slots with change of Mode of Transportation will imply extra handling fees to be charged on demand. An administrative charge will be imposed for any slot re-scheduling.

Currency	Re-scheduling
USD	75.00 per unit if rescheduling request received by 13:00 on business day prior to scheduled shipment
USD	200.00 per unit per missed appointment on day of shipment

*A Unit is an individual transportation unit which is requested to be re-scheduled (i.e. a truck, a container, etc.). Cost and charges for any other delivery, services and/or documentation shall be invoiced by Access World separately at rates to be agreed or on a 'at cost basis'.

- d. If release is currently in-progress, there may be additional handling fees for re-lotting and issue a Warrant or Immobilized Warrant.

The above procedures are subject to LME rules and regulations as amended from time to time.
