

Warehouse Lead/Foreman

Access World USA

Company

Access World (100% subsidiary of Glencore PLC) is a global commodities warehousing and logistics business. Access World has its Head Office in Zug, Switzerland and operates in various regions across Europe, the Americas, Africa and Asia-Pacific, each with their own corporate functions including business development, finance, legal, and operations.

What to Expect

We are a diverse and dynamic company looking for people who are driven, committed, and passionate. Access World USA is looking for an ambitious Warehouse Lead/Foreman. The Warehouse Lead/Foreman will be responsible for supporting the company's goals by planning, directing and monitoring inbound/outbound processes of cargo. Direct and control the flow of work in the warehouse. Lead workforce in a productive, safe and efficient manner.

Warehouse Lead/Foreman at Access World USA

Responsibilities Include:

- In collaboration with Area Manager, oversee day-to-day operations, ensuring efficient and effective work performance.
- In collaboration with Area (Inbound/Outbound) Manager, implement warehouse safety and security programs, and optimal space allocations for freight.
- Ensure that LME and FTZ regulations are followed.
- Ensure work practices adhere to all applicable federal, state, local and industry regulatory standards.
- Ensure products are handled properly to minimize damage and preserve quality.
- Instruct and provide oversight to warehouse employees in the proper execution of all established quality, safety, productivity and standard work of warehouse operations.
- Monitor workforce and confer with Area Manager regarding employee overtime hours to maximize labor utilization and minimize labor expense.
- Will perform additional duties as assigned per Manager

Position Requirements - Experience, Education and Skills

- One to three years' experience in the warehousing/logistic/import/export industry.
- Excellent interpersonal and communication skills, with the ability to work with all levels of the organization.
- Basic Computer skills (Word, Outlook, Excel).
