

Dynamics Developer

PM Access World (Malaysia) Sdn. Bhd. (Global Support Desk, Kuala Lumpur, Malaysia)

Access World (100% subsidiary of Glencore PLC) is a global commodities warehousing and logistics business. Access World operates in various regions across Europe, the Americas, Africa and Asia-Pacific, each with their own corporate functions including business development, finance, legal, and operations.

Access World is working on a major project to create a Global Support Desk (GSD) to service the Group's Systems and Infrastructure needs in Kuala Lumpur, Malaysia. We are currently looking for a number of Dynamics Developers to support our Global ERP rollout Project.

Role:

We are currently seeking to appoint a number of self-motivated individuals to fill the role of Dynamics Developer. The role will be a key part of the GSD team supporting the global business. The role requires close interaction with Senior Users from around the world.

Duties will include:

- Maintenance and extension of existing Microsoft Dynamics 2012 R3 solution.
- Delivering solutions to User and Project requirements within defined acceptance criteria.
- Working within a Global team to and gain User sign-off during UAT phases.
- Manage escalations from Global User groups and co-ordinate solutions with development/support staff.
- Mentoring younger team members and ensuring Project Standards and Processes are maintained.

Potential candidates should possess the following attributes:

- Up to 6 years' experience in all phases of Software Development lifecycle.
- Experience in Dynamics 2012 R3 modules including Finance, Service Management, Warehouse Management and Transport Management
- Solid skillset in Transact SQL, X++ and SSRS
- Experience of Dynamics 2012 R3 to 365 upgrade preferred but not required.
- Fluent in English (verbal and written), additional language skills such as Mandarin preferred.
- Ambitious self-starter who can work to tight time-scales with a focus on delivering signed-off data migration tasks.
